" We have been a client of Twelve Strike since 2005 - their attention to detail for customer service is outstanding. If you're looking for a company that goes beyond the extra mile, you have arrived at the right place. From a bowlers perspective, I HIGHLY recommend the services and product of this company. As manager, our bowling center staff has experienced not only that they exemplify customer service, their knowledge of all aspects of the bowling industry makes them compatible with the needs of our center. In addition to everything pointed out I would like to add that it is such a great pleasure to work with the most advanced technical and up-to-date services and equipment on the market today. "
