

THE GOLD STANDARD IN AUTOMATIC SCORING SINCE 1989.

Dissatisfied with the scoring system in the bowling center he purchased in 1980, proprietor Rex Richmond set out to create a better product. With a few years of research and refinement of Richmond's new concepts in scoring systems, Twelve Strike Scoring Systems evolved in 1989.

Richmond created an affordable, non-proprietary based system, and set the standard for technical support around-the-clock.

With several hundred customers worldwide, the company's success is a direct result of Twelve Strike's team of unwavering commitment to their customers.

Twelve Strike is available to its customers at all times, offering the only scoring system with 24-hour, 7 day-a-week support. Customer calls are answered by Twelve Strike technicians ready to help answer any questions or solve any scoring needs.
